THE BOOKS

*The phases of college life presented in this annual were chosen for their importance to Tech students, who are the characters of this story.*

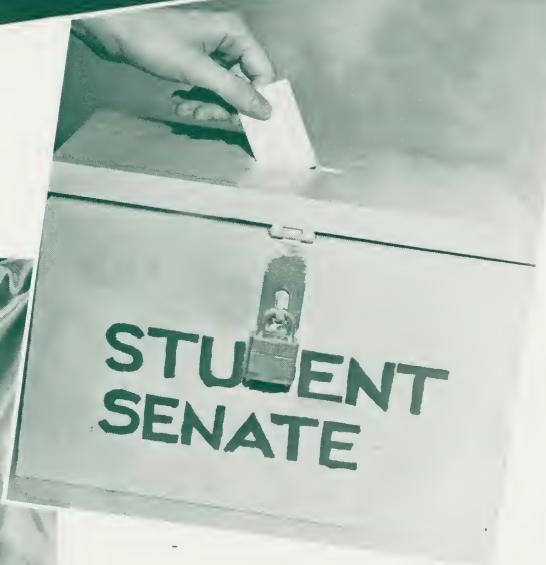

## **I Administration**

## **II Classes**

## **III Athletics**

## **IV Campus Activities**

## **V Organizations**

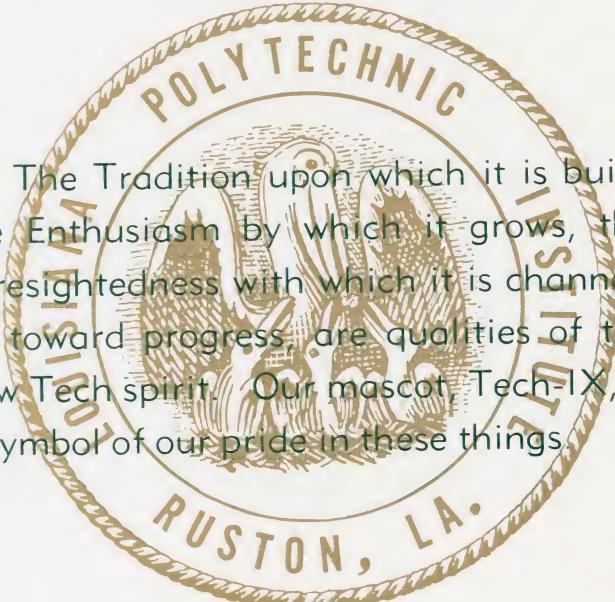

D  
EDICATED TO...

THAT NEW  
**TECH**  
SPIRIT !!

The Tradition upon which it is built, the Enthusiasm by which it grows, the Foresightedness with which it is channeled toward progress are qualities of the new Tech spirit. Our mascot, Tech-IX, is a symbol of our pride in these things.

## THAT REMIND US . . .

of the school year, 1949-50 — ROTC came to Tech . . . one new building was completed and three others begun . . . the Bulldogs won the Gulf States Conference football championship . . . so many things . . . all in one glorious year, the fifty-fifth of Tech's existence.

**Bogard Hall**

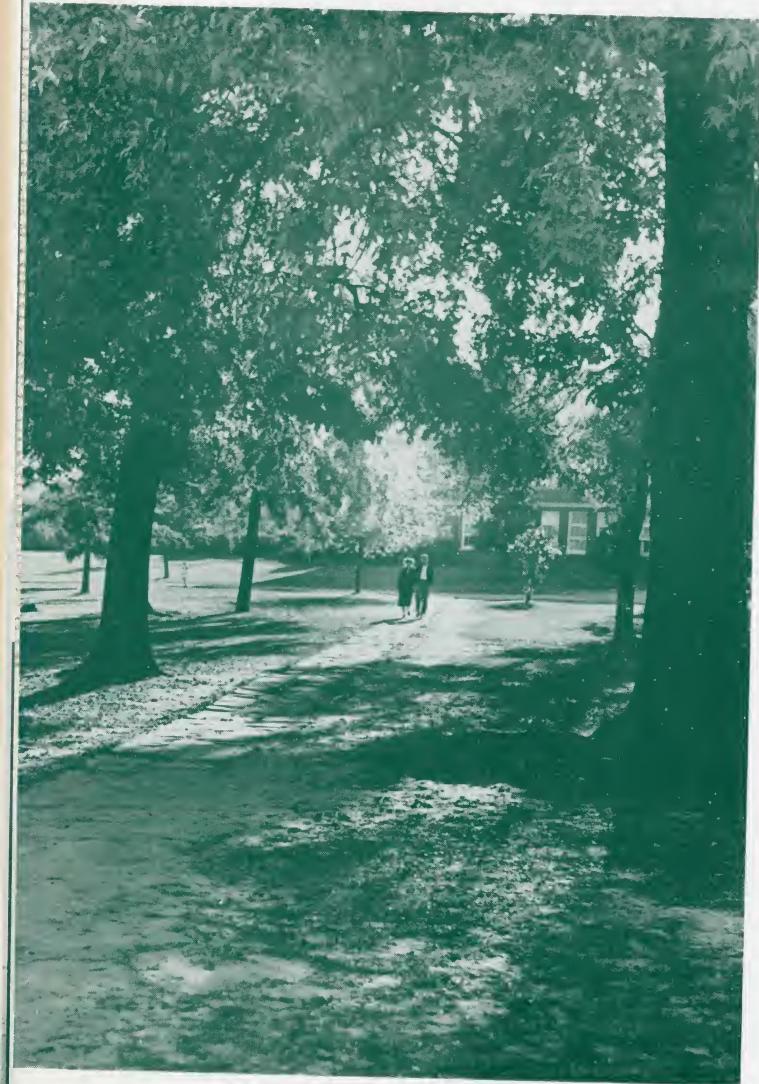

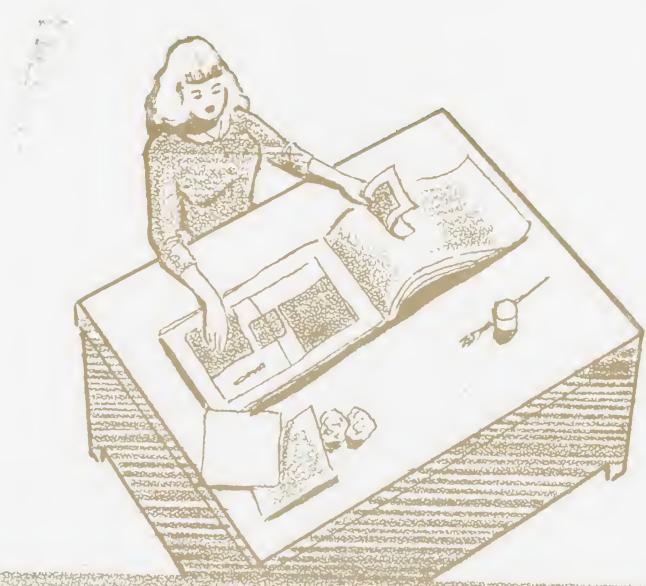

Prescott Memorial Library

Home Economics Building

on this campus — while the leaves fell and through the winter until new leaves came out — pushing through crowds to get to a mailbox . . . standing in chow line . . . sleeping through lectures . . . memorizing verb forms . . . earning a diploma.

**Keeny Hall**

**Thatcher Hall**

# **WORK and PLAY**

**Reese Hall**

Cramming during the wee hours, diagraming football plays on the backs of English papers, dressing up for dates, hating the sound of an alarm clock. It was work and it was play.

**Robinson Hall**

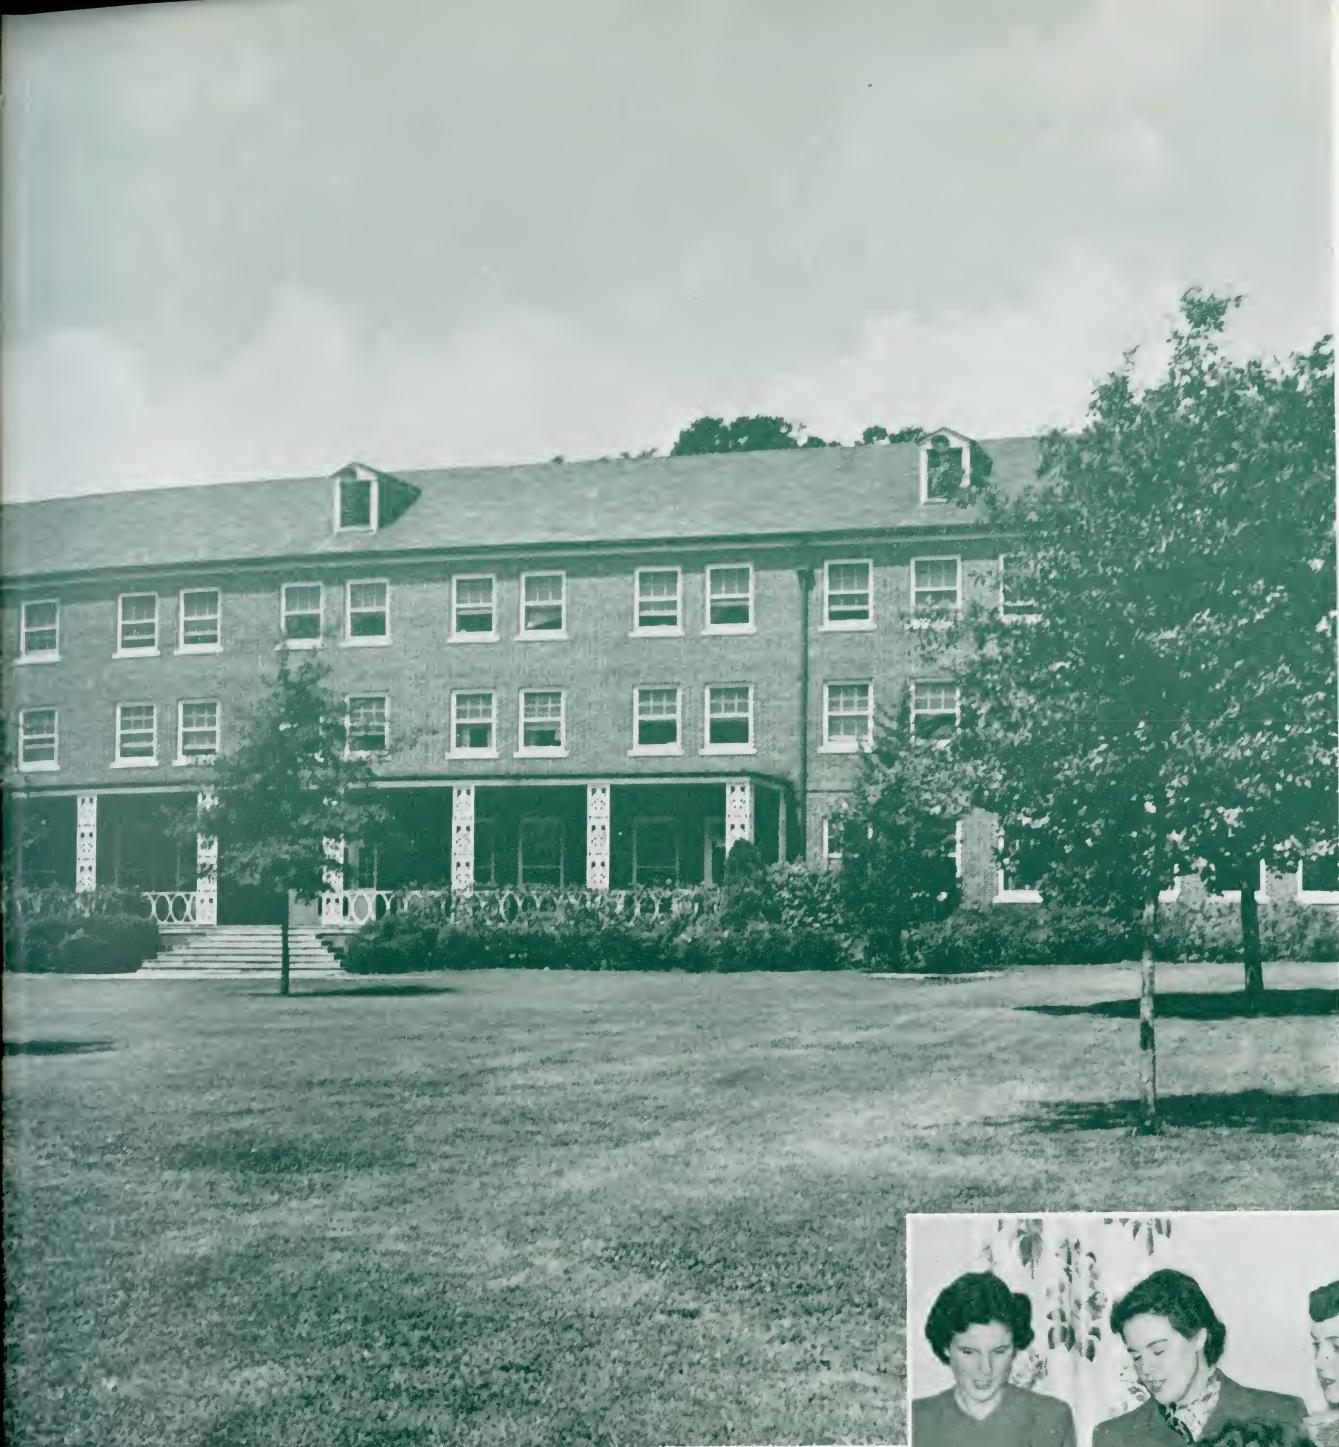

Room checks came too often, signing out was a pain and getting camp-used was dangerously simple, but the walls and the front lawn and the faces became familiar and this was home.

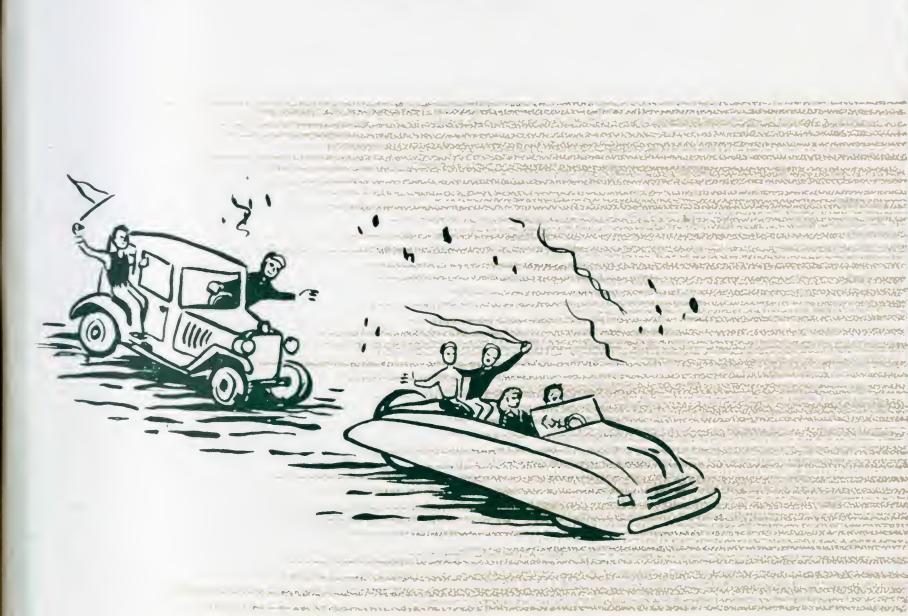

**Harper Hall**

**Aswell Hall**

# FRIENDS..

Everywhere we went, whether to Howard for chapel, to the dining hall for lunch or to the "Tonk" for a "coke," people said, "Hello," and became our friends.

Dining Hall

**Howard Auditorium**

*Remembered and Forgotten*

**Lomax Hall**

**Chemistry Building**

Within these buildings, along these familiar walks and under the shade of these trees, we lived a life that was sometimes so joyful and sometimes so hectic that it seemed an unreality. Perhaps the full meaning of all the things that happened here will not be understood until we have read this story as one chapter in the story of our lives.

# The President

**N** making my humble contribution to this book of memories for the 1949-1950 session at Louisiana Tech, I wish first of all to express my heartfelt appreciation for the great opportunity that has been extended me to serve you.

The friendly spirit and hearty cooperation exemplified this year by all who share a vital interest in the welfare of Louisiana Tech combine to record a thrilling chapter in the history of our college. Students, faculty, administrative staff, alumni, and friends of our college have joined hands in making this a truly remarkable year.

As we set our sights on an even greater Louisiana Tech in the years that lie ahead, let us pledge ourselves anew to a code of ethics embracing the development of personal conduct characterized by honesty, trustworthiness, integrity, uprightness, and a keen sense of fair play to our fellowmen. Let us continue to look up, and love, and laugh, and lift.

Coach of the year is the distinction accorded by majority vote of the Gulf States conference grid coaches to Joe Aillet for his outstanding and expert guidance of the Louisiana Tech Bulldogs to the football championship.

## SEASON'S RESULTS

TECH	Opponent	
19	Howard Payne College	22
18	Bradley University	20
20	Southwestern of Texas	0
26	Louisiana College	7
28	Northwestern State	21
21	Southwestern La. Inst.	0
20	Southeastern La. College	14
34	Mississippi Southern	13
45	Oklahoma City University	0
—	—	—
231	Total	97

The Louisiana Tech coaching staff (left to right): Berry Hinton, baseball; Jimmy Mize, assistant football and track; Cecil Crowley, assistant football and basketball; Joe Aillet, football; and Robert Hand, trainer.

## Tech 19, Howard Payne 22

Opening the 1949 football season in Brownwood, Texas, the Louisiana Tech gridmen commanded a 12-7 lead entering the fourth quarter but the Howard Payne Yellow Jackets exploded for two touchdowns and a safety in the last eight minutes to eke out a 22-19 triumph.

Tech came to life in the final minute of play and completed two long passes to move the ball to the Texans' eight, however, the gun sounded signaling the end. Fullbacks Jewell Humphries and Gene Knecht together accounted for all of Tech's three scores.

## Tech 18, Bradley 20

Traveling by airplane, the Bulldogs journeyed northward the following week to Peoria, Illinois, where they were defeated by the Bradley university Braves, 20-18, in a rough and hard-fought tilt.

Tech led 12-0 at halftime but their heavier opponents ran up 20 points in a wild second half to win. As far as the trip was concerned, it made history since it marked the first time that an athletic team representing Tech had ever traveled by air to play an opponent.

Front row: Jerry Alexander, Jewell Humphries, Bobby Aillet, Jimmy Gilbert (Capt.), Roy Collins, Ralph Westbrook, Gene Yarbrough, Jimmy Harrison, Gerald Mardis. Second row: Maurice Rawls, Arnold Mathews, George Byrnside, Buster Stevens, Ed Michael, Thomas Brantley, J. T. Fulton, and Leo Sanford. Third row: Jerry Leonard, Wyman Lee Collie, Herbert Colvin, John Fick, Cotton Hildreth, Jerry Germenis, Lowell Morrison, Gene Knecht, Joe Ross. Fourth row: Tony Cefalu, Tommy Woodall, R. A. Moon, Mac Gillen, Richard Harris, Carroll (Chubby) Bujol, Gene Derveloy, Lloyd Braswell, George Huff, Paul Morgan. Fifth row: Billy Day, John Fischer, Joe Strother, Bob Goodman, Norman Moore, Robert Fenner, Frank Pernici, Billy Adcox, Walter Savage. Sixth row: Oliver Lockhart, George Ferrington, David Lee Hayes, Jack Carter, Billy Cooper, Joe Murry, Ed Stassi, Lenny Vogt, Melvin Barney.

## Tech 28, Northwestern State 21

Jimmy Harrison, who scored the winning touchdown with less than a minute left to play, and quarterback Bobby Aillet guided the Bulldogs in their 28-21 conquest of the Northwestern State college Demons at the State Fair in Shreveport in their annual grid clash.

After a scoreless opening quarter, Tech broke loose in the second stanza to score twice and led 14-7 at halftime. Entering the final quarter the Canines had increased their lead to 21-7 but the Demons fought back swiftly and a deadly passing attack enabled them to tie the score.

In the fading minutes Tech in one last effort began to march from deep in its own territory and Harrison climaxed the drive by circling right end six yards for a touchdown and victory. The star left halfback accounted for all of the Bulldogs' four scores. He hit pay dirt three times himself and passed to end Joe Strother for another.

## Tech 21, Southwestern 0

Louisiana Tech's Bulldogs held on to first place in the Gulf States conference by romping over the Southwestern Louisiana Institute Bulldogs from Lafayette in the second half to gain a 21-0 victory before 5,000 happy homecoming fans here.

After a scoreless first half, the Tech gridmen uncorked a powerful ground attack that carried them to two touchdowns and then added another on a pass completion. Right halfback Arnold Mathews crossed over into pay dirt twice while Tony Cefalu scored once.

Between halves, the Tech band and Blue Jackets dedicated maneuvers to the alumni, spelling out "Hi Grads" and forming the numerals "1894-1949" signifying the dates of Tech's existence. The crowning of the queen by acting president, R. L. Ropp, followed.

## Tech 26, Louisiana College 7

Once again the Bulldog gridmen were forced to display their strength and power as they turned on the steam in the final half and conquered the scrappy Louisiana College Wildcats, 26-7, at Pineville in a Gulf States conference tilt.

Tech held only a 6-0 halftime margin but two scores in the third quarter and another in the fourth enabled the Canines to win their loop opener. The Tech linemen again turned in an outstanding defensive job by allowing the Cats only 59 yards rushing.

Tech 34, Miss. Southern 13

Paced by triple-threat halfback Jimmy Harrison, a keyed-up and determined Tech Bulldog eleven romped to a surprisingly easy 34-13 upset over the favored Southerners of Mississippi Southern in the Gulf States Conference championship game here before 6,000 cheering fans.

Harrison engineered the Bulldogs offensive machine by tossing two touchdown passes and setting up another. The defensive play of the Techmen was nothing short of great as they stopped the highly-publicized Southern backs cold in their tracks.

The Mississippians proved to be no match for the hard-charging Bulldogs at any time during the contest as Tech ripped off 421 yards to Southern's 274. Tech rolled up 21 first downs to make it even more convincing.

Mathews, Knecht, Mardis, Yarbrough and Gilbert pushed over the touchdowns for Tech while Michael converted four extra points from placement.

## Tech 45, Oklahoma City 0

The 1949 grid season reached a perfect climax in the season finale as the slow-starting Bulldogs struck almost at will by both land and air to scalp the Oklahoma City University Chiefs, 45-0. Making 17 first downs, Tech rolled up 880 yards rushing and passing.

The newly-crowned champions of the GSC were leading 13-0 when they left the field at halftime, then turned the tilt into a one-sided affair by adding 32 points in a free-scoring second half. The offensive

attack of the Bulldogs was paced by Jimmy Harrison and Gene Knecht, who scored twice.

For four of the players on the Tech squad, the contest with the Chiefs was the final game of their college careers. They include Bobby Aillet, an ace signal-caller; end Jimmy Gilbert, who turned in a great job as captain of the '49 team; end Roy Collins, probably the best defensive terminal in the conference; and Ralph Westbrook, a hard-working reserve center.

Architects drawing of new gymnasium, planned to seat 5,000 people.

Back row: Vance Bailes, guard; Joe Mott, guard; Truitt "Red" Latham, center; Fred Dunham, center; Curtis Brown, forward; and Travis Shaeffer, forward.

Final statistics of the Louisiana Tech cagemen for the 1949-50 season revealed that Truitt "Red" Latham was tops among the individual point-makers with 333 points in 20 games for an average of almost 17 points.

As a reward for his achievements, the six-foot three-inch redhead received five first place votes and two for the second team in a poll of the conference coaches to land a guard berth on all-GSC first team.

Scoring numerous tallies on the hook-shot he introduced only this year, the team captain tossed in 126 field goals and 81 free throws. His shooting accuracy from the floor was an outstanding 38 per cent which was the highest on the squad.

Truitt (Red) Latham, Captain

The five cagemen starters who set the pace throughout the season are shown below. They are, left to right: Sam Ledbetter, guard; Scotty Robertson, guard; Truitt "Red" Latham, center; Jerry Lovett, forward; and Robert Bertrand, forward.

Jerry Lovett was runner-up to Latham in the scoring column with 221 points, an average of 11 points each tilt. Robert Bertrand was third with 147 points, followed by Sam Ledbetter with 117, and Scotty Robertson with 64.

Other Canine cagers who scored were Joe Mott, 63; Jodie Barnette, 43; Vance Bailes, 35; Curtis Brown, 24; Fred Dunham 22, and Jimmy Bates, 1.

Latham's 81 successful free throws were the largest number made. The leading charity-tosser was Fred Dunham, Latham's replacement at the pivot post, who made 72 per cent of his shots find their mark.

As a team the Bulldogs chalked up 11 victories against nine defeats. They broke even in 16 Gulf States conference games and copped three out of four intersectional battles.

Tech scored a total of 1,079 points, two more than the amount made by opponents, for a game average of 54 points. The Bulldogs' shooting accuracy was 32 per cent, rimming 411 goals in 1,296 shots at the basket.

From the free throw line, the Techmen hit 257 out of 403 charity tosses which is a percentage mark of 64. Canine players were charged with 312 personal fouls, an average of 15.5 per game.

During the course of the season, the Bulldogs got off to a fast start by winning five of their first six contests. Their momentum was then slowed down, forcing them into a slump that saw victory only once in the next nine engagements.

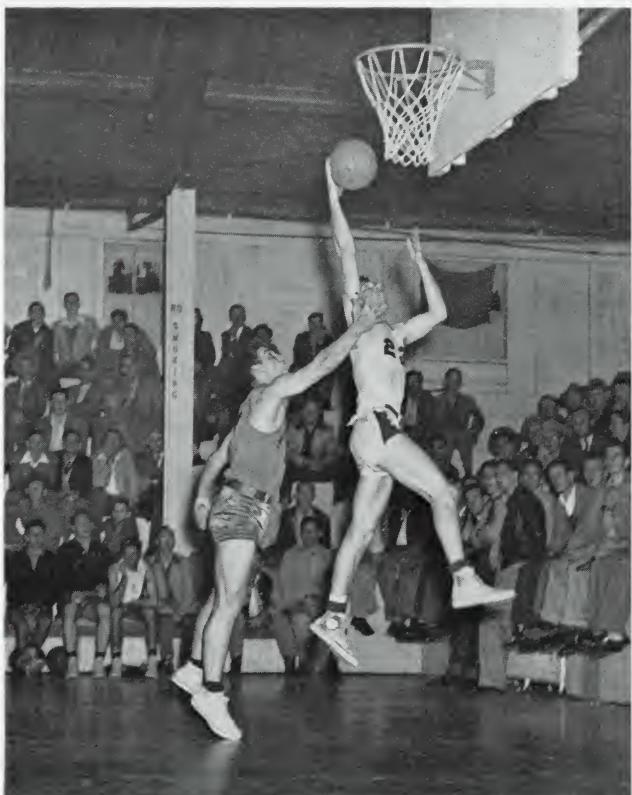

They hit the comeback trail the close of the schedule and copped the last five. These included wins over such top-ranking teams as the league champions, Mississippi Southern, Centenary, and Northwestern State college.

The nine players who received varsity letters for

the 1950 season were as follows: Truitt "Red" Latham, Converse; Jerry Lovett, Middletown, Ind.; Robert Bertrand, Meaux; Sam Ledbetter, Simsboro; Scotty Robertson, Shreveport; Jodie Barnette, Homer; Fred Dunham, Baskin; Joe Mott, Oak Ridge; and Vance Bailes, Marthaville.

The 1950 Tech diamond squad, hampered by the loss of two .400 hitting outfielders on the 1949 team, E. J. Albritton and Bob Brasher, have a record of three victories and six defeats as this section goes to press.

Lacking in hitting power, three of the losses were to professional teams in exhibition games. The Canines fell before the Shreveport Sports 15-5, the Vicksburg Billies 14-6, and the Monroe Sports 8-5.

The Bulldogs, who finished third in the Gulf States Conference standings last year, have split even in two-game series with Louisiana College, Southwestern Louisiana Institute, and Northwestern State College in league competition.

The scores of those six tilts were Tech 6, Louisiana College 5, in 12 innings; Tech 3, SLI 2; Tech 16, NSC 11; Louisiana College 7, Tech 6; SLI 6, Tech 5, in 11 innings; and NSC 1, Tech 0.

The 1950 tennis team has met four gulf States conference opponents as this section goes to press, and two more contests and the conference meet at New Orleans remain on the schedule. The Techmen have been victorious in each of the four matches played thus far.

Led by Bill Etzel and Jimmy Cheneval, the Techsters opened the season with a 5-2 win over Southwestern Louisiana Institute at Ruston. They then trounced Louisiana College 6-1, and in a return engagement with the Southwesterners at Lafayette, Tech won easily, 6-1, and later defeated NSC, 5-2.

With thirteen lettermen returning to bolster the hopes of success during the 1950 campaign, the Tech thin clads are scheduled to participate in ten track and field meets, including the Gulf States Conference meet at Lafayette May 13.

The Canines have completed half of their 1950 slate as this section goes to press, having participated in three clashes, the Texas Relays at Austin, Texas, and the Southern Relays at Birmingham, Ala.

They opened the season against Houston University and Southwestern Louisiana Institute in a triangular meet which Houston won. SLI was second and Tech third.

Playing hosts to Louisiana College, Centenary, and Mississippi College, the Techmen registered their first win by scoring  $88\frac{1}{2}$  points. Louisiana College was next with 54, Mississippi College third with  $32\frac{1}{2}$ , and Centenary fourth with five.

In a three-way meeting, Tech came from behind in the final events to capture second place behind Southeastern Louisiana College. Louisiana College finished third. SLC made 84 1-3 points, Tech  $49\frac{1}{2}$ , and Louisiana College 46 1-6.

# WOMEN'S SPORTS

# B A S K E T B A L L

Intramural competition sponsored by the Women's Recreation Association and a well-rounded physical education program make it possible for Tech girls to participate in a variety of sports. This year the WRA directed tournaments in basketball, badminton, ping-pong, volleyball, softball and tennis.

Basketball opened the intramural season, with eleven organizations entering the round-robin tournament. The teams were divided into two leagues. Wesley Foundation, League Two Winner, defeated As-well Hall, top team in the other bracket, for the basketball championship.

Pictured after the final game are the intramural basketball champions, members of Wesley Foundation. Front row: Joan Turner, Jimmie Mae Edwards, Bette Adams, Zula Abington. Back row: Pat McGee, Betty Jean Turner, Sarah Jean McCrary, Mary Grace Bagwell, Pat Moore.

Several things combined to make this year's basketball tournament one of the most successful ever held. High spirit and keen competition kept interest at a peak throughout the twenty-six-game schedule, during which there was no forfeit.

The championship team used smooth floor-work, overhead shots and close guarding to defeat all contenders. Among the strongest teams competing were Aswell Hall, second-place winner, and Phi Mu. Aswell beat the sorority girls by one point in a semi-final game.

The three action pictures shown were taken in the final game between Wesley Foundation and Aswell Hall.

Top: Bette Adams, Wesley captain, takes a long shot.

Middle: Daisy Pollard, Aswell guard, attempts to block an overhead shot by Jimmy Edwards.

Bottom: Aswell captain, Oleta Savage, goes in for a lay-in.

## LOUISIANA TECH ENGINEER

The purpose of the LOUISIANA TECH ENGINEER is to represent the constructive thought and ability of the entire School of Engineering. The magazine is published quarterly.

The publications board is composed of Arthur Thigpen, H. I. Henry; L. R. Daniel, John Seeger, and H. Betty Gott.

Opening the 1949-50 season of the Louisiana Tech Concert Association was Phil Spitalny with his "Hour of Charm" all-girl orchestra.

## FINE ARTS

Interest in the Fine Arts grows stronger each year under the encouragement of the Louisiana Tech Concert Association.

L. V. E. Irvine, chairman of the Louisiana Tech Concert Association and head of the Music department.

Directing the "Hour of Charm" orchestra which appeared here October 18 was Phil Spitalny, shown below.

## The Louisiana Tech Concert Association

Under the auspices of the Louisiana Tech Concert Association, six nationally celebrated attractions have appeared on the stage of Howard Auditorium this year. Low cost membership tickets in this non-profit organization were bought by the college student body numbering around 2,300 and the approximately 1,900 non-students living in the surrounding area. Separate performances are given for each of these two groups. Over 40 of such programs have been presented by the association since its founding in 1944.

Evelyn Kaye, concert mistress and featured soloist of the all-girl orchestra is pictured playing her "Magic Violin."

Posed leaning on his piano, Victor Borge, Danish pianist and humorist, was voted by Tech students as their choice for the second L.T.C.A. attraction of the year. Appearing here November 9 and 10, the Dane entertained his audiences with unique and original witticisms as well as with his pianistic ability.

Speaking on "The State of World Affairs," William L. Shirer, noted author and radio commentator, gave two lectures in Howard Auditorium March 8. In his speeches, he discussed the worldwide struggle for freedom and peace, placing emphasis on America's role in international leadership.

Efrem Kurtz, well-known conductor of the Houston orchestra.

## Concerts

Appearing for a third time at Louisiana Tech, the Houston Symphony Orchestra gave two concerts before combined audiences of more than 3000, February 28. A note of interest is that plans for the organization of the L.T.C. A. were first formulated after a program given by the orchestra in 1944.

The orchestra is pictured in concert formation below. Although young in comparison with other major symphony organizations, the Houston group has progressed rapidly under the direction of Mr. Kurtz and seems to be well on its way towards becoming one of the finest in the nation.

Lauritz Melchior, noted metropolitan opera tenor, gave two concerts here March 13 and 14. Well-received by his audiences, Melchior's programs consisted of both classical and semi-classical music. A native of Denmark, the singer has performed a record number of Wagnerian operas. His capacity for difficult touring schedules and hard work has been equaled by few musicians.

The two programs presented by Gladys Swarthout, well-known concert and operatic singer, April 13 and 14, marked the close of the 1949-50 concert season. A native-trained American mezzo-soprano, Miss Swarthout is probably best known in opera for her interpretation of the role of Carmen. Although she has expressed a preference for the concert field, she is also active in those of radio, recording, movies, and literature.

# The Tech Theater Players

Staging an average of four plays a year, members of the Tech Theater Players gain practical experience in all aspects of dramatic production. Under a new plan adopted by Tech students this year, added support is given the organization by an individual registration fee of 25c. Pictured on the following pages are scenes from two of the productions given by the players.

Miss Vera Alice Paul, professor of Speech and director of the Tech Theater productions.

Carolyn Tilbury and Nell Margaret Goodgame assist Mrs. E. Wayne Bundy, supervisor, in making costumes for "As You Like It". Students usually make and design all costumes.

Leslie Snyder as Orlando struggles with Joe Holland, portraying Oliver, while Adam (Donald Morris) watches in one of the fines scenes of "As You Like It".

Produced February 23 and 24, "As You Like It" was the third in a series of Shakespearean productions given by the Tech Theater Players in the past three years. The success of these plays has encouraged members of the group in their plans to continue the practice of sponsoring one such attraction annually.

Celia (Barbara Brockway) and Rosalind (Colleen Kennedy) talk to Orlando (Les Snyder).

William, a country bumpkin, played by John Osborne, gets a going over from Touchstone, the jester (Don Braswell). They are observed by Audrey, played by Jane Johnson, as she munches an apple.

Jane Hills as Vera Claybourne points a gun at J. R. Henry, portraying Philip Lombard, in an argument during the last scene of the play.

Anthony Marston (Charles Ford) lies murdered on the couch and is observed by J. R. Henry, kneeling, Douglas Murphy, Violet Wilbanks, Vernon Schroeder, Jimmy Bachman, Jane Hills, and Bunch Norris, who play the characters of Philip Lombard, William Blore, Emily Brent, Dr. Armstrong, Rogers, Vera Claybourne, and General MacKenzie, respectively.

## Ten Little Indians

Ten Little Indians, a murder mystery by Agatha Christie, is based on the movie, "And Then There Were None." The Tech Theater players produced this play, which involved a series of unsolved murders, November 2 and 3.

Jimmy Bachman (Rogers) watches while Dixie Smith (Mrs. Rogers) examines purchases delivered by Fred Narracott (H. E. Hodges).

## BETA SIGMA OMICRON

Beta Sigma Omicron was founded in Columbia, Missouri, on December 12, 1888. Beta Eta chapter of the organization began as a pledge chapter at Louisiana Tech in February, 1947. The colony was formally installed into the sorority in May, 1947, by three national officers and representatives of other colleges.

The sorority's principal philanthropy is contributing to the support of the Pine Mountain settlement school in Harlan county, Kentucky. At the national convention, a Bernadine diamond ring is presented to the collegiate Beta Sig in the nation.

## KAPPA DELTA

Alpha Chi chapter of Kappa Delta sorority was installed on April 25, 1931. A local sorority, Lambda Theta, served as the background for the present-day Kappa Delta group.

Kappa Delta sorority was founded on October 23, 1897, at Virginia State Normal College, Farmville, Virginia.

As an anniversary gift the national group established a research fellowship of \$1,000 annually. The award is given for merit and the receiver does not have to be a member of Kappa Delta.

The organization sponsors a Brownie Scout troop and gives support to a child in the Ruston orphanage. They also provide financial aid for spastic children in the Ruston area.

The rose is the Kappa Delta flower. The sorority colors are olive green and pearl white.

Phi Mu sorority was organized at Macon, Georgia, on March 4, 1852. The organization was originally known as the Philomatheon society.

Alpha Lambda chapter of Phi Mu was incorporated with the National Phi Mu sorority on November 13, 1943. Before this time the group was known as Kappa Alpha Zeta, a local sorority founded in 1940.

The sorority's colors are rose and white. Its flower is a pink carnation.

The national philanthropic activities of the sorority include an annual graduate fellowship of \$1,000, awarded through the American Association of University Women, the care and maintenance of a fully equipped mobile health unit in the home state of Georgia, and many local projects.

## SIGMA KAPPA

The colors of Sigma Kappa sorority are lavender and maroon. The violet is the sorority flower.

Beta Epsilon chapter of Sigma Kappa was granted its charter on April 1, 1931. The organization was founded by five pioneering women students at Colby College, Waterville, Maine, in November, 1874.

The aim of Sigma Kappa sorority is to promote personal service, spiritual standards, cultural development, and high scholarship and intellectual standards among its members and alumnae.

The group's national philanthropy is the Main Sea Coast Mission, a national project since 1918. The local chapter supports an orphaned boy at the local Methodist orphanage.

## THETA UPSILON

The aims of Theta Upsilon sorority are to establish a close friendship between the members, to stimulate the intellectual, social, and spiritual life of the members, and to render services to others.

Psi chapter of Theta Upsilon was installed on the Louisiana Tech campus June 23, 1932. Before joining the national group it was a local sorority, Delta Phi Gamma, which was Tech's first social sorority.

The organization was founded at the University of California at Berkley in 1909 as a girls' club. On January 1, 1914, this group became Alpha Chapter of Theta Upsilon.

The local chapter's philanthropic work is connected with aid to the girls at the Methodist Orphanage in Ruston.

## KAPPA SIGMA

Kappa Sigma was founded at the University of Virginia in 1869. The national group is composed of 116 chapters, and is the third largest fraternity in the nation, both in number of active members and number of chapters.

The Epsilon Gamma chapter at Louisiana Tech was installed in 1941. A local fraternity, Omega Kappa, which was formed in 1928, was granted a charter to become a chapter of the national organization.

Stephen Alonzo Jackson, one of the early initiates, embodied in the ritual the early European tradition which takes Kappa Sigma back in spirit to the University of Bologna in the year 1400, when a mutual protection society was founded by a group of students.
